Air Fryer

Psst. What's with the air fryer trend? It makes crispy (and healthy) chips and nuggets a breeze. But it's not just that. It's so versatile. You can bake a cake in it, roast a chicken, poach an egg, cook a quiche or make sausage rolls. And it's so easy. All done in a single appliance. Find out how with 275+ winning recipes, plus tips and insider hacks.
