Have more fun. Be more mindful.

Welcome to Book Two in the best-selling series of mindful activity books. Here's your chance to give the busy mind a break and take time-sweet-time out to get lost in a maze; tackle Wordle, word search or number puzzles; solve a riddle; play a mindful game; do some colouring in, doodles or dot-to-dots. Relax with over 100 mindful activities, and enjoy thousands more mindful moments.
