Clue Is In The Poo The

A fascinating and funny guide to animals and their poo, and all the other tracks and traces they leave behind. You will be amazed (and perhaps a little revolted!) by the things that can be learned about wildlife from their deposits. Become a detective, find clues and learn all about animals from what they leave behind. From faeces to footprints, skins to shells and eggs, discover all there is to know about wild animals & even those that are particularly dangerous to track like tigers and wolves! Whether you're an armchair enthusiast or a forest forager, one thing's for sure this fully illustrated compendium of poops, pellets and prints is not to be sniffed at!
