Battlegrounds The Fight To Defend The Free World

From Lt. General H.R. McMaster, former National Security Advisor during Trump's administration, a bold assessment of the most critical foreign policy and national security challenges of our age.

There has been a shift in power since the end of the Cold War. In *Battlegrounds*, bestselling author, commander, scholar and National Security Advisor H.R. McMaster examines the rising strength of Russia and China, the threat from hostile states Iran and North Korea, the complex battlegrounds in South Asia and the Middle East, and the new arenas of international competition - space, cyberspace and emerging technology.

A groundbreaking reassessment of international security and survival, McMaster gives vital insight to life inside the most powerful office and military force in the world, and makes bold arguments for how to achieve a safer, more peaceful future.
