

Why Mummy's Sloshed

by SIMS, GILL

Why Mummy's Sloshed

No.1 bestselling author Gill Sims is back with her eagerly awaited fourth and final Why Mummy novel. I just wanted them to stop wittering at me, eat vegetables without complaining, let me go to the loo in peace and learn to make a decent gin and tonic.

Mummy has been a wife and mother for so long that she's a little

bit lost. And despite her best efforts, her precious moppets still don't know the location of the laundry basket, the difference between being bored and being hungry, or that saying I can't find it Mummy is not the same as actually looking for it!

Price: \$7.99 (Top Price is \$19.99)
