

Crystals For Beginners A Deck Of 50 Crystal Cards

by HALL, JUDY

Crystals For Beginners A Deck Of 50 Crystal Cards

Get to know healing crystals with this beginner-friendly deck.

Learn about the 50 most popular healing crystals and how to use them to improve your life.

Crystals have been used to improve our wellbeing through meditation, manifestation and crystal healing for millennia.

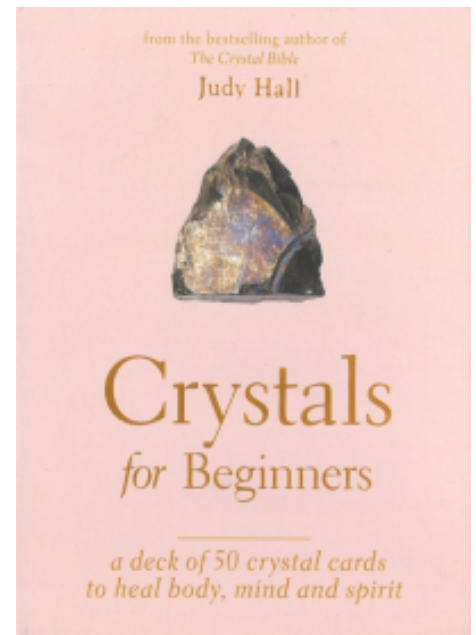

The

Crystals for Beginners deck is your introduction to exploring crystals and familiarizing yourself with their various properties

in order to create lasting change in all areas of your life.

This beautifully illustrated 50-card deck will introduce you to the most popular crystals, such as Amethyst, Blue Lace Agate and

Jade. Each card features an image of a crystal along with the associated key words and properties so that you can start to identify and explore which crystals you are drawn to. Once you have learnt the basics, the cards can be turned over to delve further into the healing properties of the crystal.
