

Flower

by

Flower

"I must have flowers, always and always."

Claude Monet

Flowers are captivating. They demand our attention - as objects of sensory beauty; as symbolic messengers; as reminders of the majesty of Mother Nature; as vehicles through which to express our clumsy human emotions; and as muse for artists, poets, thinkers - and the rest of us.

Enjoy the beauty of flowers in this stunning coffee table book

-
a celebration of and homage to mother nature's most wondrous creation.
