Camper Heaven Van Life On The Open Road

Showcasing amazing vans and their owners from around the world, Camper Heaven will inspire you to take off on the road trip of a lifetime.

The pandemic has led to a massive surge in sales of motorhomes, as vacationers have chosen to avoid busy airports, crowded resorts and the risks of Covid-related travel disruption.

Instead, many are enjoying the freedom of the open road, embracing their wanderlust and voyaging with their loved ones in comfort and style.

The Instagram hashtag #vanlife has over 12 million posts depicting camper vans in scenic spots around the globe, from the Lake District to Tasmania and from Alaska to Japan. Some of these motorhomes are state-of-the-art luxury vehicles, while others are more modest DIY van conversions, but each has its own charm.
