

Superpiss Meltykiss Spankers And Muff

by THORBURN, GORDON

****SUPER MARKDOWN****

Hundreds of product names, signs and advertising puffery from foreign parts are brought together in this collection along with a few wicked mistakes that slipped through at home. It's all real. None of it has been invented. In Turkey, they really do have 'Bum!' biscuits. A hilarious look at why some products will never make it in the English speaking world!
